

FOR IMMEDIATE RELEASE:

APPIES 2016 Asia Pacific Marketing Congress celebrates Innovation and Bravery in Marketing, Unveils the Best amongst 73 Shortlisted Campaigns.

Singapore, August 26 2016 – In its 7th successful year, the two-day Festival of Excellence, Sharing and Accelerated Learning involving top brand marketers in APAC ended on a high note on 26 August when The APPIES 2016 announced its well-deserved winners from a shortlist of 73 campaigns. The judging panel comprising of senior marketers from across the region was led by Chief Judge, Sameer Desai, Head of Consumer Health Mundipharma (Asia, Latin America, Middle East and Africa). The inspiring showcase featured renowned brands, from over 12 markets spanning the region from Japan to Australia to India. This year’s excellent crop of campaign resulted in 10 Gold and 10 Silver Medals. Awards were also given out to 5 Best Presenters.

Held over 25th and 26th August, the National University of Singapore Society (NUSS) venue was a bustling and stimulating stage for all attendees, as they witnessed award-worthy campaigns from a range of industries; Consumer Durables, Consumer Services, Food & Beverage, Non-Food FMCG, Business Services and Government, Cultural, Social & Environmental, and featuring leading brands such as MasterCard, KFC, Coca-Cola, McDonalds, IKEA, Singtel and Lego. McCann Worldgroup’s “The Emotional Trailer” for the Melbourne International Film Festival, continued its winning streak after winning gold at Cannes Lions 2016 and bagged a Gold Award. In fact, McCann Worldgroup had the biggest sweep of 4 Gold Awards and 3 Silvers for their outstanding campaigns.

Enthusiastic delegates found the unique “live” presentation format at The Appies very effective for accelerated learning and getting “under the skin” of each campaign.

A brand new ‘**Disruptor Panel**’ hosted by Nigel Kwan, VP Marketing & Sales Strategy, SEA Amobee was well-received by the audience. Nigel shared on how moment marketing captures moments that matter to the consumers and how marketing must become agile and responsive to meet the demands of our consumers. Panelists from Zalora, IBM ASEAN, foodpanda, DirectAsia and PropertyGuru shared insights on how digital is an important enabler for their brands and what is driving disruption by non-traditional players vs incumbent brand-centric players.

In addition, Scott Mackenzie, Vice President, Channels, Asia, for NBCUniversal International Networks, delivered a lively presentation on how NBCUniversal Content Studio opens the door to original, highly engaging and sharable content and delivers the premium TV quality storytelling experience audience craves.

Alvin Neo, Chairman of the APPIES 2016, Chief Marketing Officer at Parkway Pantai, observed that “We are pleased to see The Appies going from strength to strength, with the 2016 conference witnessing a strong crop of powerful, inventive campaigns underlaid by robust digital foundations, sharp content and brave choices. And we’re already planning for next year’s APPIES on 24-25 August 2017 to be even bigger, better and bolder.”

The APPIES 2016 is organized by the Institute of Advertising Singapore, with presenting sponsor SingTel, supporting partners, NTUC e2i, U Associates and supporting sponsors Mediacorp, Asia Pacific Breweries Singapore, Amobee, cum.M+D, NBCUniversal International Networks, R3 Worldwide, The Edge, WARC.com and zPixel.

About IAS

Launched in 1990, the IAS (Institute of Advertising Singapore) is a nonprofit organisation that represents all parties in the marketing communications industry including marketing companies, media owners and their agencies. Its remit is to help the marketing communications industry in Singapore shape its future in a global leadership role. The IAS does this by focusing on the development of its key asset, talent. As businesses that are centered on people and ideas, the attraction, development and the retention of talent is, without doubt, the number one priority for the industry.

The IAS organises educational events and programs, celebrates best practice (through award shows – e.g. Effies, APPIES, Hall of Fame Awards) and facilitates the exchange of information and ideas.
